C.L. No. 16 /IV-h-16 /Admn(A)dated 13th May, 2004

Regarding submission of statements relating to movable and immovable property by all the Judicial Officers: In continuation of Court's Circular letter No. 63/IV-h/16/Admn A Dated 10.12.1998 on the above subject I am directed to say that the Hon'ble Court has been pleased to pass orders in the matter of submission of property statement by the Judicial Officers as follows:- *“That the Judicial Officers be now required to submit property statement at the time of entering the service and there after at the interval of two financial years i.e. in every third financial year.”*

I am therefore, to request you kindly to direct all the Judicial Officers posted in your judgeship to ensure strict compliance of the above order of the Hon'ble Court in the matter.

Submission of Information About Purchase of Movable Property by The Judicial Officers

C.L. No. 35/IVh-16/Admin.(A)/ dated 23.11.2010

I have been directed to say that the expression “forthwith” in sub-rule (2) of rule 24 of U.P. Government Servants Conduct Rules 1956 connotes “**immediately**”. Therefore, information required under the said rule must be immediately sent to the Hon'ble Court by all concerned. I am therefore, to request you kindly to circulate this to all the judicial

officers posted in your judgeship as well as the officers working on deputation, for their information and strict compliance.

Lending and Borrowing Money

C.L. No. 22/IV-2100/Admn(A)dated 6th June, 1997

Lending and borrowing money by the Judicial Officers: I am directed to invite your attention to the provisions of Rule 22 of the Government Servant's Conduct Rules, 1956, on the above subject and to say that it has come to the notice of the Court that some time Judicial Officers do not obtain previous sanction of the Court for borrowing money from any person as required under Rule 22(2) on the ground that the proviso to Rule 22(2) permits them to accept a purely temporary loan of small amount, free of interest, from a personal friend or relative. The court has examined the matter and is of the view that if the proviso is read and construed in context with Rule 22, it can be safely construed that the proviso to sub-Rule (2) of Rule 22 is an independent enactment dealing with the borrowing by the Government servant and its operation is not confined to local limits of the authority of the Government servant. As clear from difference in language used in proviso to sub-Rule (1) of Rule 22 dealing with loaning and the proviso to sub-Rule (2) of Rule (22) dealing with borrowing, the legislative intention appears to discourage and prohibit the borrowing of higher amounts, which may put the Government servant under financial constraints. The proviso if given a restricted operation to local limits of authority of Government servant, he may be left free to indulge in borrowing any amount. Thus very purpose of Rule 22 shall stand defeated. The purpose of Rule is to provide a check against a Government Servant to spend money beyond his known sources of means. The word relative used in proviso to Rule 22(2) includes any relative including wife. I am, therefore, to request you to kindly bring the contents of this circular letter to the notice of all the Judicial Officers working under your control for their information and strict compliance.

Honoraria for broadcasting

G.L. No. 67-46 40-96 dated 7th July, 1936

Payment of honorarium for broadcasting from an All India Radio station should be made only when the Controller of Broadcasting considers it necessary and the head of the office has no objection as it is desirable to encourage voluntary service. It should not exceed the amount which he considers suitable in each case subject to the maximum prescribed by the Government. Payments for regular assistance are subject to the provisions of the rules contained in Government Servants Conduct Rules. No payment should be made to Government Servants for talks connected with their work and no conveyance allowance will be allowed in addition to the payment indicated above.

C.L. No. 19 dated 5th March, 1965

Government servants should not undertake any occasional work of a literary, artistic or scientific character without the prior sanction if it involves the acceptance of remuneration as otherwise it will be in contravention of the provisions contained in rule-15 of the Government Servant's Conduct Rules 1956.

Regarding grant of permission to Judicial Officers for doing Professional Courses

C.L No. 22/Adnm. (A), dated 1st May, 1996

I am directed to say that it has come to the notice of the Court that some time Judicial Officers take admission or get themselves registered for professional courses without obtaining prior permission of this Court. This is not a healthy practice. The Court is of the view that the Judicial Officers must obtain prior permission of the Court before committing to professional courses. I am, therefore, to request you kindly to bring the above fact to the notice of all the Judicial Officers working under your administrative control for strict compliance in future.
